Attn: Plant Manager

Gentlemen:

Re: Solid Waste Removal
N.L. Industries
file Perth Amboy, N.J.

It has come to our attention that N.L. Industries is removing slag and related solid wastes from its plant in Perth Amboy. by contract hauler. In an effort to clarify the situation, please submit a list of those contractors which remove wastes from your plant and the location of depositing said wastes.

Your cooperation in this matter will be appreciated.

Very truly yours,

Thomas F. Harding
Supervisor, Industrial Control
